2025-2026

PART I. Welcome to WCS

Dear Student:

You are entering an exciting time here at Willsboro Central School. We hope you make the best of this school year by taking advantage of the many opportunities provided to learn and grow. This handbook has been developed through the efforts of WCS teachers, administrators, staff, school board, student council, and parents. The handbook is intended to help you understand your rights, as well as the rules and procedures at school. It should not be construed as a full compilation of all school policies; they are too numerous to be presented herein.

- Respected and valued for who they are
- Inspired to make their community and world a better place
- Determined to overcome challenges

Vision Statement

PART II. The School Day

Student Rights

It is impossible to list all the rights of students. Therefore, the following rights shall not be intended to deny or limit others retained by students on their own campus in their capacity as members of the student body or as citizens.

1. The rights and limits of students respecting freedom of speech, press, and assembly shall be in accord with the First Amendment of the United States Constitution. Students have the right to free speech. However, that constitutional guarantee does not include the license to interfere with the orderly conduct of classes, to coerce others to participate in a particular mode of expression or to violate the rights of those who disagree with a given point of view.
2. There shall be established an elective and truly representative student-directed government with offices open to all eligible students.

3. Students shall have the right to know the criterion used for determining academic grades.
4. Students shall have the right to an education that is free from disruption.
5. Students shall have the right to due process procedures in all matters pertaining to the administration of the Student Code of Conduct.
6. Students shall have the right to attend school and school functions without the fear of intimidation, bodily harm, or endangerment to their health or welfare by others.

Student Behavior & Conduct

The foundation of a successful and safe environment is the mutual respect and orderly conduct of the people who live, work, and learn there. Therefore, if our school is to function effectively, we must all learn to act and behave in a safe and orderly manner. This discipline code is one component of our collective efforts to achieve this goal. In an effort to assist our students in making better and safer decisions, we are providing the following explanation of the behaviors which are unacceptable in school or school-related functions and the consequences for such behaviors.

Student Expectations:

All students are expected to attend school daily and arrive on time.

All students are expected to be in the classroom and ready for instruction at the beginning of each period.

All students are expected to come to class prepared with books/Chromebooks, necessary materials, and completed homework every day.

All students are expected to attend each scheduled class daily.

Students need prior permission before entering rooms or spaces within the school that are not part of their daily schedule. No students should be in the school building outside of school hours without supervision from a school employee.

All students are expected to attend any assigned detention. Detentions are assigned at the school's discretion. After-school detention may be assigned for students in grades 3-12.

In an effort to maintain the cleanliness of our school, students are to consume food or drink in the cafeteria unless authorized by a staff member. Students may not order food from off-campus food services and have it delivered during the school day.

All students will not exhibit behaviors that disrupt the function of school.

All students will not exhibit language or gestures that are profane, lewd, vulgar, or abusive.

All students are expected to refrain from displays of affection.

Students are provided with an exceptional facility. To maintain the condition of our school, there will be no tolerance for graffiti or defacing school property.

Students in grades PK-5 will not be permitted to bring/consume energy drinks, soda of any kind, coffee, or other caffeinated drinks during school hours. Students in grades 6-12 will not be permitted to bring/consume energy drinks during school hours, and soda may only be consumed in the cafeteria during lunch.

Cell phones and other personal electronic devices are not allowed in school from the time students arrive at school until dismissal. Taking and/or posting photos or videos of others without their consent is prohibited.

Electronic devices can be a distraction to the regular function of the school day. Therefore, students are prohibited from using non-school issued electronic devices during school hours. Such devices include “internet-enabled devices” defined as: any smartphone, tablet, smartwatch, or other device capable of connecting to the internet and enabling the user to access content on the internet, including social media applications, but do not include any such device supplied by the district for educational purposes. Other prohibited personal electronic devices include fitness trackers, wired or wireless headphones and earbuds, e-readers, voice recorders, cameras, and music devices. For the first offense, the device will be confiscated, put in the school office, a verbal warning issued, and the parent will be notified. Subsequent offenses will result in confiscation of the device, and a parent will need to retrieve the device. Further instances will result in the device being held in the school office daily for longer periods of time. Additionally, if there are multiple violations, further discipline will be determined by administration.

A student’s dress, grooming, and appearance are expected to be safe, appropriate, and not disrupt or interfere with the educational process (See Dress Code section of the student handbook for more details).

Students are expected to comply with the directions of teachers, school administrators, or other school employees in charge of students and are to show respect for others at all times.

If the conduct of a student is related to a disability or suspected disability, the student shall be referred to the CSE Chairperson. If warranted, discipline shall be administered consistent with the separate requirements of this disability. A student identified as having a disability shall not be disciplined for behavior related to their disability unless the discipline is consistent with the student's individualized education plan (IEP).

Theft is not only a violation of the school code, it is a crime; therefore, there will be no tolerance for stealing of any kind.

Students are expected to refrain from any actions that endanger the safety, morals, health, or well-being of others. This includes intimidation, fear of bodily harm or harassment, and actions intended to be ridiculing or demeaning.

Students will refrain from any form of dishonesty including plagiarism, cheating, copying, altering records, forgery, or assisting another student in any of the above actions.

Students are expected to remain in school for the entire school day unless legal permission is granted, in writing or by a verified phone call by their parent, guardian, or emergency contact.

Students are expected to refrain from committing an act of violence (such as hitting, kicking, punching, and scratching) upon any other individual.

Students are prohibited from possession, use, or sale of tobacco and/or nicotine, this includes e-cigarettes or any other vaping device when in the school building, on school grounds, or at any location/field associated with a school-sponsored event.

Students are prohibited from possession, use, or sale of alcohol, when in the school building, on school grounds, or at any location/field associated with a school-sponsored event.

Students are prohibited from possession, use, or sale of synthetic drugs, drug paraphernalia, illegal drugs, or substances when in the school building, on school grounds, or at any facility/field utilized for school-sponsored events. It is understood that students may need to take doctor-prescribed medications; however, all such medications are to be presented to the nurse upon entering the school, and they will dispense all medications according to the prescription.

Students will refrain from intentionally damaging or destroying school property or the personal property of any individual.

No student is to be in possession of weapons or any other instruments, materials, or substances that can cause physical injury or death.

Student Dress Code

Certain body parts **MUST** be covered for all students at all times. Clothing must be worn in a way such that genitals, buttocks, and breasts are fully covered with opaque fabric. However, cleavage should not have coverage requirements. All items listed in the “must wear” and “may wear” categories below must meet this basic principle.

While following the basic rules from the paragraph above, students must wear:

- A shirt (with fabric in the front, back, and on the sides under the arms), and
- Pants/J Jeans or the equivalent (for example, a skirt, sweatpants, leggings, a dress, or shorts), and
- Shoes.

While following the basic rules from the paragraph above, students may wear:

- Hats facing straight forward or straight backward. Hats must allow the face to be visible to staff, and not interfere with the line of sight of any student or staff.
- Religious headwear
- Hoodie sweatshirts (wearing the hood overhead is allowed, but the face and ears must be visible to school staff).
- Fitted pants, including opaque leggings, yoga pants and “skinny jeans”
- Pajamas
- Ripped jeans, as long as underwear and buttocks are not exposed
- Tank tops, including spaghetti straps; halter tops
- Athletic attire
- Visible waistbands on undergarments or visible straps on undergarments worn under other clothing (as long as this is done in a way that does not violate the basic rules of the dress code above).

Students Cannot Wear:

- Violent language or images
- Images or language depicting/suggesting/advertising drugs, alcohol, vaping , or paraphernalia (or any illegal item or activity).
- Hate speech, profanity, pornography.
- Images or language that creates a hostile or intimidating environment based on any protected class or consistently marginalized groups.

- Any clothing that reveals visible undergarments (visible waistbands and visible straps are allowed) .
- Swimsuits
- Accessories that could be considered dangerous or could be used as a weapon.
- Any item that obscures the face or ears (except as a religious observance or as personal protective equipment (PPE)).

Dress Code Enforcement

Students in violation of the dress code will be provided three (3) options to be dressed more to code during the school day:

- Students will be asked to put on their own alternative clothing, if already available at school, to be dressed more to code for the remainder of the day.
- Student will be offered alternative clothing as provided by the main office or health office, to be dressed more to code for the remainder of the day.
- If necessary, students' parents/guardians may be called during the school day to bring alternative clothing for the student to wear for the remainder of the day.

Students should not be shamed or required to display their body in front of others (students, parents, or staff) in school. "Shaming" includes, but is not limited to:

- Kneeling or bending over to check attire fit.
- Measuring straps or skirt length.
- Asking students to account for their attire in the classroom or in hallways in front of others.
- Calling out students in spaces, in hallways, or in classrooms about perceived dress code violations in front of others; in particular, directing students to correct sagged pants that do not expose the entire undergarment, or confronting students about visible bra straps, since visible waistbands and straps on undergarments are permitted; and,
- Accusing students of "distracting" other students with their clothing.

Disciplinary Consequence Table

All consequences are subject to administrative discretion. Inappropriate behavior/offenses not listed below are also subject to administrative discretion. Repetition of offenses can result in more severe consequences.

In-School Suspension

When the discipline codes call for it, a student who would otherwise be subject to a suspension from attendance as the result of a disciplinary infraction may be placed on in-school suspension for a period not to exceed five consecutive school days. The student's teachers will be notified that assignments for the period of suspension should be sent to the suspension room. The student suspended shall report at the beginning of the scheduled suspension day. While in ISS, students must observe the following rules:

1. Students must be in their seats by the beginning of first period (fifth period for afternoon half-day ISS).
2. Students must be prepared to work with necessary classroom supplies.
3. No cell phones or electronic devices of any kind (except school Chromebooks) are allowed in the ISS room.
4. All bookbags, duffel bags, sacks, etc. are to be left near the ISS monitor's desk.
5. Students are not allowed out of their seats unless the monitor grants permission.
6. Being insubordinate or refusing to do assignments will result in further disciplinary consequences.
7. Students may not sleep or put their head down on the desk.
8. No outside magazines or newspapers are allowed unless assigned by a teacher.
9. Students are not to talk, make disturbing noises, write or pass notes, or use cell phones.
10. Students must have a pre-signed pass to leave ISS (Passes must be verified by phone by the ISS monitor).
11. Full-day students will be escorted by the monitor to the cafeteria to eat at the designated time. Students may bring lunch from home or buy lunch from the cafeteria.
12. Bathroom privilege is not to be abused. Students must use the bathroom closest to the ISS room.
13. Students must use ISS time to do assignments.
14. If students have completed all work, it is their responsibility to remain busy doing:
 - a. Extra Assignments

- b. Review of Past Work
 - c. Reading Approved Books/Periodicals
15. All other school rules and procedures must be followed.
 16. Violation of the above rules will be reported to the administration resulting in additional consequences including possible out-of-school suspension.
 17. Students on suspension, either in-school or out-of-school, may not attend or participate in any school-related activity on the day(s) of their suspension.

Out-of-School Suspension

When the discipline codes call for it, the principal will suspend a student for up to five consecutive days. The principal will hold an informal proceeding to ascertain the facts of the incident or incidents. A decision will then be made based on the facts. The parents/guardians of the student will be notified of the reason for the suspension. During the period of suspension, the student is neither allowed on school grounds nor will that student be allowed to participate in or attend any school activity. The student is, however, responsible for making up any work missed during their suspension. The school will collect any homework for the student, and then notify the parent/guardian that the work may be picked up in the Main Office.

Student Attendance Regulations

The Willsboro Central School District recognizes the importance of regular daily attendance in the academic progress and success of all students.

Definitions:

Student/Pupil – Any individual duly enrolled in the Willsboro Central School

Absence – Any failure to be present for a scheduled day of school or a scheduled class period

Tardy – Arrival at school or class after the scheduled beginning time of that school day or class period.

Attendance–Students must be present for at least 75% of the class time to be considered in attendance for the day.

Students in grades 7-12 may have course credit denied should they exceed 18 unexcused absences in a full-credit course and 9 unexcused absences in a half-credit course.

I. Excused Absence from School/Class

The following absences are considered excused absences from class if appropriate documentation is provided and shall not count toward the 18/9 maximum absences:

- School-scheduled music lessons
- School-scheduled field trips
- Pre-approved changes in schedule
- Additional time with another teacher with pre-signed pass
- Pre-approved visitations to the nurse, school psychologist, counselor, or office
- State testing
- College visitations
- Medical appointments
- In-school suspension or out-of-school suspension

It is the parent/guardian's (or teacher's, if appropriate) responsibility to provide approved documentation when a student is absent, tardy, or dismissed. All other absences from class are considered unexcused and shall count toward the 18/9 maximum absences.

II. Discipline Consequences for Absence/Tardiness

Students violating the regular attendance and tardiness requirements may be assigned disciplinary consequences.

III. Intervention Strategies

The District recognizes that there are many conditions that can affect the regular attendance of students. To assist students in maintaining regular attendance the District will implement the following interventions:

1. After 6 unexcused absences (This step is skipped for full credit courses if the 6th absence occurs after the start of the 2nd semester)
 - Verbal warning from teacher to student
 - Teacher notifies parent
 - Attendance meeting with the school counselor and student
2. After 12 unexcused absences
 - Verbal warning from teacher to student
 - Teacher only notifies parent at this step if the first step was skipped
 - Teacher notifies school counselor
 - Attendance hearing with student, parent, and school counselor
 - An attendance plan will be developed to address the attendance issue

3. After 18 unexcused absences (9 for half-credit courses)
 - Verbal warning from teacher to student
 - Teacher notifies parent
 - Teacher notifies counselor and administrator
 - Meeting with student, parent, school counselor, and administrator to discuss the potential denial of credit
 - Attendance plan will be reviewed and adjusted as necessary

IV. Excessive Absence & Course Credit

Course credit is awarded based on regular attendance and achievement. To fulfill the course requirements and thereby be awarded credit, a student should not exceed:

Full-year classes: 18 unexcused absences from class

Half-credit classes: 9 unexcused absences from class

V. Procedure for Denial of Credit

Any student who exceeds the allowable number of unexcused absences may be denied credit for the year. After a student reaches the maximum allowable number of absences, they will be given an incomplete on the progress/report card. The student will remain in class and may be able to obtain credit by attending summer school or by possibly making up missed seat time at the discretion of the Principal.

For students attending CV-TEC, the credits earned each year for attending CV-TEC are required to graduate. Juniors attending CV-TEC who exceed the allowable number of absences may be given an incomplete for CV-TEC and granted credit only if their attendance improves while attending CV-TEC as a senior. Seniors attending CV-TEC may also be denied credit under the attendance policy.

Student Early Dismissal Regulations

If a student must be excused from school for a reason other than illness, a note signed by the parent/guardian must be provided to the office before the beginning of first period to be verified. This note must specify the following:

1. The time of departure
2. The reason for early dismissal
3. A telephone number to be used to verify the note

The student will be released when the parent, guardian, or emergency contact has signed them out or by a verified phone call. All students must also sign out before leaving the building. Failure to follow this procedure will result in disciplinary action. Only Seniors and

National Honor Society students who have completed permission forms on file will be eligible to leave school during lunch.

Equal Opportunity Policy

It is the policy of the Willsboro Central School District not to discriminate on the basis of gender, race, color, national origin, or handicap in the educational programs or activities which it operates. Furthermore, the Willsboro Central School District is required by Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, respectively, not to discriminate in such a manner. Inquiries concerning this policy may be referred to the Principal.

Anti-Harassment/Bullying/Cyberbullying Policy

Any form of sexual harassment is also prohibited. As of July 1, 2013, cyberbullying will be defined as harassment or bullying by any form of electronic communication and include incidents occurring off school property that creates or would foreseeably create a risk of substantial disruption within the school environment. Any person who believes that they have been subjected to harassment in violation of this policy or federal and state laws may bring a complaint to the designated DASA Coordinator or Title IX Compliance Officer.

Hall Passes

Any time it is necessary for a student to be outside of a classroom during class time, they must have a pass. If they are outside of class without permission, disciplinary action may be taken.

- Students may only use the bathroom and drinking fountain closest to the class they are in.
- Students may use the bathroom at the discretion of their teacher/monitor.
- In case of illness or emergency, students may be sent to the nurse.

9. Students will keep the pass in their possession until reporting to the next supervising teacher.
10. The study hall monitor cannot issue passes (except to the bathroom). Students must have a pre-signed pass for the teacher they want to see.

Cafeteria Policy

1. Students are to eat in the dining room only at the time assigned. Students are to report to the serving line at the beginning of their lunch period and stay in the dining area until the end of the period. Students who do not follow this rule will be referred to the office.

4. While on the bus, students will face forward and keep their feet out of the aisle, their bags on their lap, and their voices down to a normal level.
5. Students will not fight, and they will keep their hands off other students and property not belonging to them. They will also refrain from using obscene language while on the bus.

9. Students will obey the driver's requests at all times.

Student Drivers & Parking

Students who want to drive to school must fill out the appropriate permission form available from the main office. Student drivers are required to park in the designated student parking places. All state and local traffic laws should be strictly adhered to when driving on or near school property. Leaving the school building to obtain items from the car during school hours is not permitted unless permission is given by the office. Students will not smoke, vape, consume alcohol, or do/possess unlawful drugs/drug paraphernalia or allow any other person to do the same in their vehicle on school grounds. 2. The dance will be for Willsboro students only. Any guest must be pre-approved by the Principal prior to 3:00 p.m. on the day of the dance. The Willsboro student signing up the guest will accept responsibility for that person. They will also escort the person into the dance.
3. An appropriate number of chaperones will be on duty along with the class advisor.
4. Smoking, vaping, drinking, and drug use are strictly prohibited.
5. Any student who is suspected of drinking or using drugs prior to entering a dance will be refused admittance. Such instances will be referred to the Principal to enforce the school drug use policy.

Visitors during the school day will not be allowed to go to classrooms without prior approval from the classroom teacher.

Part III: Academics

The success of our children depends on the joint efforts and involvement of everyone. Ensuring this success will require the following activities for the stakeholders in this process.

Parents/guardians are expected to:

1. Send their children to school daily, on time, and ready to participate and learn.
2. Ensure all absences are for accepted excused reasons and provide written excuses.
3. Insist their children be dressed and groomed in an appropriate manner.
4. Help children understand that rules are required to maintain a safe, orderly environment.
5. Know school rules, help the children understand them, and send the message that they are to be obeyed.
6. Communicate regularly with teachers and the school.
7. Inform school officials of changes in the home situation that may affect the student.
8. Provide a place for study and ensure homework assignments are completed.

Teachers are expected to:

1. Maintain an environment that promotes student learning and success.
2. Demonstrate proficiency in teaching and a concern for student achievement.

3. Know school policies and rules and enforce them in a fair and consistent manner.
4. Communicate to students and parents class rules, expectations, and student progress.

School Counselors are expected to:

1. Assist students in coping with academic, social, and emotional struggles.
2. Facilitate communication and initiate conferences as necessary.
3. Regularly review with students their educational progress and career plans.
4. Assist students in selecting and scheduling classes and extracurricular programs.

2. Adopt and review, at least annually, the district's procedural documents including the student and faculty handbooks.
3. Lead by example by conducting board meetings in a professional, respectful, and courteous manner.

Academic Materials

Students are expected to come to school properly prepared to participate in the various learning activities that WCS offers. This means that students should have the required materials, prepared assignments, and any additional materials requested with them every day. It is expected that students will have these various materials in each of the classes in which they are required. This includes the student's school-issued Chromebook.

All textbooks, library resources, and school equipment are issued on a loan basis. It is the student's responsibility to care for these materials and return them in good condition at the end of the year. Materials not returned, or brought back in a deteriorated condition, will result in parents being billed for their replacement or repair. Students who willfully destroy or damage school property will be disciplined and charged for repair or replacement.

Academic Honesty Policy

With respect to the academic honesty of students, it is expected that all material submitted as part of any class exercise, in or out of class, is the original work of the student whose name appears on the material or is properly documented otherwise. Academic honesty includes ethical citizenship. Our school is committed to educating students who will be good citizens in their community. Just as a community or business cannot tolerate cheating or stealing, an educational institution also cannot tolerate cheating and stealing. Academic integrity means that there is no tolerance for cheating or plagiarism.

National Honor Society

The Willsboro Central School District is happy to be affiliated with the National Honor Society through our William Gilliland Chapter. All students meeting the criteria for membership will be considered beginning with grade ten. The criteria for membership are as follows:

Scholarship – A grade point average of 85% or higher

As part of this process, students may be asked to submit a written document in support of their candidacy.

National Junior Honor Society

The Willsboro Central School District also recognizes and supports a Junior Honor Society for students in grades 7-9. The criteria and process for membership in the Junior Society will be the same as for the high school Honor Society with the addition of a Citizenship component which includes the following: Has a High Regard for Freedom & Justice; Respects the US Government and All Laws for Citizens at the Local, State & Federal Levels.

National Honor Society Privilege

- Use of the Honor Society Lounge during study hall (NHS/NJHS).

- Students in good standing in NHS may leave school during their lunch period.

Student Responsibilities

1. Each NHS member must submit a permission slip from their parent or guardian excusing their child from school lunch and granting permission to drive during lunch hour. This would grant permission for the whole year.
2. Each NHS member must maintain passing grades in all courses.
3. Each NHS member must also sign in and out to leave for lunch.
4. An NHS member using this privilege must leave the building and the school grounds immediately after signing out unless supervised by a teacher.

Withdrawal of Privilege

Loss of privilege lasts for the remainder of the 5-week marking period.

1. Not fulfilling NHS responsibilities (see above).
2. Allowing an unauthorized student to accompany them.
3. Failure to maintain a positive attitude/effort in classes.
4. Suspension from school for any reason.
5. Continual disciplinary problems.
6. Tardy when returning from lunch.

A single violation of this policy is sufficient to have the privilege revoked. If a large number of NHS members violate the policy, the privilege will be suspended for everyone.

Administration has the right to review all cases of withdrawal of the privilege.

Honor Roll

At the end of each quarter students with an overall, truncated average of 85 or above will be placed on the school's honor roll. Students with an average of 90 or above will be placed on the school's high honor roll. To qualify for the honor roll, a student must have a minimum of 5 credits and not have any incomplete or failing grades.

Academic Letters

Academic letters and pins will be awarded to students who achieve high levels of scholarship. The criteria to receive an academic letter or pin is, earning an 85 or higher average during the first three quarters of the school year.

Rules for Promotion

Freshmen to Sophomore	6 credits required
Sophomore to Junior	11 credits required
Junior to Senior	On schedule for all graduation requirements
Senior to Graduate	22 required credits and required Regents exams

Marking System

Grading at Willsboro Central School is on a percentage basis. Pupils in grades 6-12 are graded in academic subjects with a numerical grade that represents a percentage that is based on class work, tests, quizzes, and class participation. Report cards are sent home four times a year, with interim progress reports provided at 5-week intervals. Please consult the school calendar to determine the dates for this year. A grade of 65 and above is considered passing.

Repeating Classes or Grade Level

Students in 7th and 8th grade may repeat the grade level if they fail two out of the four core subjects. Students that fail required high school courses may have to repeat the course for an entire school year.

Class Rank

At the end of the Junior and Senior year, the relative rank of each student will be determined. This rank, a straight average of all academic courses, is used in reports to colleges. The determination of class Valedictorian and Salutatorian will be done at the end of the third quarter of the Senior year. Students receiving a grade point average of 90 or higher will be recognized as honors graduates.

Add/Drop Period

Students may add or drop courses during the summer with parental permission. The Counseling Office will be open during designated hours for this purpose. After school has started, there will be an 8-day add/drop period where students may add or drop courses with written parental permission. After the add/drop period, changes in student schedules will only be done with a parent or teacher-initiated conference involving the principal, guidance counselor, student, parents, and the teacher(s) involved. Courses dropped after this period will remain on the student's transcript as WP (withdrew passing) or WF (withdrew failing). Second semester courses will also have an 8-day add/drop period. Students must maintain a schedule of at least 6 periods of classes unless otherwise approved by the school counselor.
